* Sleep apnea screening performed by MinuteClinic. Your MinuteClinic provider may prescribe a home sleep test, sleep test interpretation and diagnosis by an independent third-party.

** Clinical services provided by a MinuteClinic nurse practitioner or physician assistant within a CVS HealthHUB location.

***Diabetic retinopathy diagnosis by an independent provider.

Your local MinuteClinic
may now be a CVS HealthHUB.

Visit [CVS.com/HealthHUB](https://www.cvs.com/HealthHUB)
to find a location near you.

Get low cost/no-cost care* at MinuteClinic® locations

Access convenient, local care

at MinuteClinic locations inside select CVS Pharmacy® and Target® stores.

Find help when you need it, including nights and weekends.

Get the care you deserve, without the high out-of-pocket costs.

*Applies only to covered services at MinuteClinic®. Video visits are not a covered service under this visit. Members in indemnity plans are not eligible for this benefit. Such members should refer to their benefit plan documents in order to determine coverage and applicable cost share for clinic benefits and services, as applicable. Visit [MinuteClinic.com](https://www.minuteclinic.com) for age and service restrictions.

The no-cost MinuteClinic benefit is not currently available to HMO membership in California, Sutter joint venture membership in California and members in the Indemnity plans are not eligible. Includes select MinuteClinic® services. Not all MinuteClinic services are covered. Please consult benefit documents to confirm which services are included. Members enrolled in qualified high-deductible health plans must meet their deductible before receiving covered non-preventive MinuteClinic services at no cost-share. However, such services are covered at negotiated contract rates. This benefit is not available in all states or on indemnity plans.

MinuteClinic services

Out-of-Area Dependent Children

AVN/HMO

If you have children going to school or living with a parent outside of the California Aetna AVN or HMO service area, we can cover them.

- If they reside in another Aetna HMO network service area (e.g., Phoenix, Arizona) they can select a primary care physician (PCP) in that area.
 - You will need to provide The County with your dependent's local address (e.g., in Phoenix, Arizona).
 - Your dependent will be enrolled in the same plan as you and use the same Aetna ID #.
 - You will need to call the Aetna Concierge team at 1-833-576-2494 when you receive your ID cards and select a PCP for your dependent.
- If they do not reside in another Aetna HMO network service area, we can enroll them in a special Out-of-Area Dependent PPO Plan.
 - You will need to complete a special Out-of-Area Dependent PPO Plan enrollment form and provide the dependent's local address.
 - Your dependent will be enrolled under their own SSN and issued a separate Aetna ID #.
 - Your dependent's benefits will mirror the County's OAMC PPO \$200 plan. The network will be Aetna's nationwide Open Choice PPO.

Managed Choice POS (Open Access) – aka OAMC PPO

Members in these plans have access to Aetna's nationwide network, so your dependents can use In-Network providers in any state.

If there are no In-Network providers available your dependents may use any licensed provider and will be covered at the In-Network level for emergency/urgent care, and the Out-of-Network level for everything else.

Pharmacy

Aetna's pharmacy network is nationwide, so your dependents will have access to their plan's pharmacy benefits wherever they reside.

Transition of care (TOC)

Available for those in active course of treatment

TOC is temporary, usually for 90 days, as we transfer services from a nonparticipating provider or primary care physician to a participating provider.

You can visit the County's Aetna® microsites or call the Concierge team to:

- Get a TOC form
- Get help completing and submitting the form

Aetna Enhanced Maternity Program™

You can count on us for support — wherever you are in your maternity journey.

This program supports all women throughout their entire experience, whether they have risk factors or not.

Special program features include:

- A fertility advocate* to be your care manager and provide support if you're facing infertility
- Predictive data to help us identify pregnancies early on so we can provide timely, more responsive outreach to you
- Preeclampsia prevention by providing education and resources, if needed
- Guided genetic counseling and screening services, backed by medical expertise
- Education and resources to help close racial gaps in health care and support women of color

*While only your doctor can diagnose, prescribe or give medical advice, our fertility advocates/care managers can provide information on a variety of maternity-related topics.

Count on savings with the Aetna[®] Discount Program*

- Fitness
- Books
- Natural products and services
- Oral health
- Hearing
- Weight management
- Vision
- At-home products

* Discount programs are NOT insurance and program features are not guaranteed under the plan contract and may be discontinued at any time. Discount programs are in addition to any plan benefits and may require a separate charge to access such programs. Discount programs are NOT available to New York policyholders.
