Rest assured, you're covered when travelling

As a Kaiser Permanente member, you're covered for emergency and urgent care anywhere in the world.

It's important to remember that how you get care can vary depending on where you are. So, plan ahead and find out what emergency and other medical services are available where you'll be traveling.

Anything can come up when you travel, and different health needs require different types of care. Here are some common examples, which don't include all possible symptoms and conditions.

What is emergency care?

Emergency care is care for an emergency medical condition.* If you have a medical emergency, call **911** or go to the nearest hospital.

It's important to remember that how you get care can vary depending on where you are. So plan ahead and find out what emergency and other medical services are available where you'll be traveling.

Examples of emergency care include:

- Chest pain or pressure
- Severe stomach pain that comes on suddenly
- Severe shortness of breath
- Decrease in or loss of consciousness

What is urgent care?

Urgent care is for a condition that requires prompt medical attention, usually within 24 or 48 hours, but is not an emergency medical condition.

Examples of urgent care include:

- Minor injuries
- Backaches
- Earaches
- Sore throats
- Coughs
- Upper-respiratory symptoms
- Frequent urination or a burning sensation when urinating

What is routine care?

Routine care is for an expected care need, like a scheduled visit to your doctor or a recommended preventive screening.

Examples of routine care include:

- Physical exams
- Adult and well-child checkups
- Immunizations (shots)
- Pap tests
- Follow-up visits

Routine services aren't covered outside Kaiser Permanente areas, so make sure to get them before your trip (see page 5 for a list of Kaiser Permanente areas).

*If you believe you have an emergency medical condition, call 911 or go to the nearest hospital. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage* or other coverage documents.

What if I'm not sure what kind of care I need?

If you have a medical emergency, call **911** or go to the nearest hospital. If you're not sure what kind of care you need, visit us as **kp.org/getcare**, or call your regional 24/7 advice line phone number located on the back of your Member ID card.

You can also log into your **kp.org** account to send a nonurgent message to your doctor's office. You'll get a response usually within 2 business days.

Additional information

You'll find more information about getting emergency and urgent care in the document below that applies to your health coverage:

- **Evidence of Coverage (EOC)**, if your coverage is directly with Kaiser Foundation Health Plan or its regional health plans
- **Summary Plan Description (SPD)**, if your coverage is with your employer's self-funded plan
- **Certificate of Insurance (COI)**, if your coverage is directly through Kaiser Permanente Insurance Company

For a complete description of your coverage, you should read your *EOC*, *SPD*, or other coverage document, since the information in this brochure may change at any time. Contact our Member Service Contact Center to request a copy of your *EOC* or other coverage document. To request a copy of your *SPD*, contact your employer.

How to get care in another Kaiser Permanente service area

This section will help you get a wide range of care¹ in Kaiser Permanente service areas, which include all or parts of:

- California
- Colorado
- Georgia
- Hawaii
- Maryland
- Oregon
- Virginia
- Washington
- Washington, D.C.

You can get care in these areas and find Kaiser Permanente locations at [kp.org/kpfacilities](https://www.kp.org/kpfacilities).

Before getting care in another Kaiser Permanente area, you'll need a medical record number (MRN) or health record number (HRN) for the other Kaiser Permanente region you're visiting. You can get an MRN by visiting [kp.org/travel](https://www.kp.org/travel), or by calling the Away from Home Travel Line at **951-268-3900** (TTY **711**).

Emergency care

All who experience a medical emergency should get care right away.² You don't have to let Kaiser Permanente know or get approval first. Here's what to do:

- Call **911** or go to the nearest hospital. Always use the emergency services available where you are.
- Once your condition is stable, notify your Kaiser Permanente care team back at home that you've received emergency care or been admitted to a hospital.

Urgent care

If you need urgent care while in a Kaiser Permanente service area, you can visit a Kaiser Permanente urgent care clinic location. Find urgent care locations by visiting [kp.org/locations](https://www.kp.org/locations) or calling the Away from Home Travel Line at **951-268-3900** (TTY **711**).³

If you go to an urgent care facility other than Kaiser Permanente, you may be asked to pay upfront for services you receive. In this case you will need to file a claim for reimbursement.

¹Subject to requirements and limitations in your *Evidence of Coverage* or other coverage documents.

²If you believe you have an emergency medical condition, call 911 or go to the nearest hospital. For the complete definition of an emergency medical condition, please refer to your *Evidence of Coverage* or other coverage documents.

³This number can be dialed inside and outside the United States. Before the phone number, dial "001" for landlines and "+1" for mobile lines if you're outside the country. Long-distance charges may apply, and we can't accept collect calls. The phone line is closed on major holidays (New Year's Day, Easter, Memorial Day, July Fourth, Labor Day, Thanksgiving, and Christmas). It closes early the day before a holiday at 10 p.m. Pacific time (PT), and it reopens the day after a holiday at 4 a.m. PT.

How do I get routine, urgent and emergency care in other Kaiser Permanente service areas?¹

If you're traveling and want to receive care in a new or different Kaiser Permanente service area, you'll need to create a new medical record number (MRN) for the service area you are visiting.

- Log into your **kp.org** account on a desktop computer. Select 'add an area of care' and follow the prompts to create an MRN for a new region and add the new area of care to your account.^{2,3}
- If you do not have a **kp.org** account, or need additional assistance, please call the Travel Line at **951-268-3900** (TTY **711**).

What types of care can I get in other Kaiser Permanente service areas?

As a member, you can get most of the same services you would get in your home service area when visiting another Kaiser Permanente service area. These services are covered as long as they're provided or referred by a Kaiser Permanente doctor in the service area you're visiting. These services are subject to the terms and conditions, including prior authorization, approval, and copay, coinsurance, or deductible requirements of your plan coverage issued in your home service area.

What costs should I expect?

If your plan covers your care when you visit another Kaiser Permanente service area, you'll pay what you normally would in your home region — for example, a copay, coinsurance, or deductible payment. If what you pay doesn't cover all that you owe for the care you received, you'll get a bill for the difference later.

For more specific information on your coverage, please check your plan details.² Holders of WEX financial accounts may have a different point-of-service payment experience in the region you are visiting than at home. Any costs incurred in the region you are visiting will need to be manually submitted to your financial account for reimbursement.

What services are available?^{4,5}

Inpatient services

- Hospitalization, including inpatient surgery and other services you may get while you're admitted

Outpatient services

- Office visits
- Outpatient surgery (with certain exceptions)
- Allergy tests and allergy injections
- Physical, occupational, and speech therapy⁶
- Prenatal and postnatal care
- Chemotherapy

¹When you get care in other Kaiser Permanente service areas, your home-area claims and appeals, or grievance processes, still apply. Members can file a grievance with or without a denial letter. See your *Evidence of Coverage*, *Certificate of Insurance*, or *Summary Plan Description* for details.

²You can add an area of care to your own account only. You won't be able to add an area of care for someone else if you're acting as their caregiver.

³Washington isn't available to add as an area of care at this time. If you're traveling in Washington outside of the Vancouver / Longview area and are looking to get care, call the Away from Home Travel Line at 951-268-3900 (TTY 711) for assistance.

⁴This brochure does not include a complete list of available services or exclusions. Services may vary by service area. For more specific information about visiting member services, call the Away from Home Travel Line at 951-268-3900 (TTY 711).

⁵When visiting areas with smaller Kaiser Permanente service areas, you can still receive in-person medical treatment, but it will likely be through an affiliated provider. Call the Away from Home Travel Line for more details.

⁶For members in Maryland, coverage for physical, occupational, and speech therapy is different. Call Member Services to learn more.

Certain types of care require approval by Kaiser Permanente. Call the Away from Home Travel Line at **951-268-3900** (TTY **711**) for more information (closed major holidays).²

What services may be available with prior approval from my home service area?

If these services are included in your plan as described in your *Evidence of Coverage*, *Certificate of Insurance*, and *Summary Plan Description*, and are available in the region you are visiting, they're available to you but require prior approval from your home service area:

- Dental and orthodontic services (such as dental X-rays and braces) that are unrelated to covered medical treatment of mouth or jaw
- Alternative medicine and complementary care
- Hearing aids, unless you have a self-funded EPO plan. Hearing aids are available to self-funded EPO plan members when in other Kaiser Permanente service areas.

¹Certain limitations apply to home health care.

How to get care outside of a Kaiser Permanente service area in the U.S.

You're covered for urgent and emergency care anywhere in the world.¹ Routine services aren't covered, so make sure to get them before your trip if you're traveling elsewhere. Routine services include prevention, exams, checkups, follow-up care, and services for ongoing medical conditions such as dialysis.

For a list of Kaiser Permanente service areas, see page 5.

Emergency care

If you or a family member who is enrolled in Kaiser Permanente coverage has a medical emergency, get care right away. You don't have to let Kaiser Permanente know or get approval first. Here's what to do:

- Call **911** or go to the nearest hospital. Always use the emergency services available where you are.
- Once your condition is stable, call Kaiser Permanente to let us know you've received emergency care or been admitted to a hospital. See page 17 for phone numbers for reporting an emergency (or post-stabilization care).² If appropriate, the doctor treating you can call instead.

- When you call Kaiser Permanente, we'll talk to the doctor treating you to discuss your condition, health plan coverage information, and help decide what to do next.

What if I still need care after my emergency condition has been stabilized?

If you've been hospitalized, the doctor treating you may decide you still need care after your condition has been stabilized.

This is called post-stabilization care. You'll need to get approval from Kaiser Permanente for this kind of care to be covered under your Kaiser Permanente plan.

- Call us as soon as you can, preferably before you get post-stabilization care.² See page 17 for phone numbers for reporting an emergency (or post-stabilization care). Getting approval helps protect you from financial responsibility because we may not cover services we don't approve first.
- If we agree you need post-stabilization care, we may authorize the doctor treating you to give you this care. Or we may choose a different provider who can provide the right care for your condition.

¹Please refer to your *Evidence of Coverage* or other coverage documents for details.

²For specific timing considerations, please refer to your *Evidence of Coverage* or other coverage documents.

- Ask the doctor treating you if Kaiser Permanente has approved your care, including any transportation. In addition to post-stabilization care, you'll need to get any related transportation approved. When medically necessary transportation is needed for your care (as determined by Kaiser Permanente), we will arrange these services for you.¹

Post-stabilization follow-up care is generally not covered, unless we authorize it or it's considered urgent. This includes any follow-up care you need after an emergency or urgent care visit, like removing stitches or a cast. Call us before you get follow-up care to check whether it's covered.

Urgent care

If you are in a state that Kaiser Permanente operates in, but outside of a Kaiser Permanente service area:

- Go to the nearest urgent care facility. Call the Away from Home Travel Line at **951-268-3900** (TTY **711**) if you have questions.
- You may be asked to pay upfront for services you receive and will need to file a claim for reimbursement.
- If you go to a MinuteClinic[®] or Concentra for care, you will need to pay out of pocket and file a claim for reimbursement.

If you are in a state where Kaiser Permanente does not operate:

- Go to the nearest MinuteClinic[®], Concentra, or other urgent care facility.² Find a the nearest MinuteClinic[®] at **[cvs.com/minuteclinic/clinic-locator](https://www.cvs.com/minuteclinic/clinic-locator)** and Concentra location at **[concentra.com/urgent-care-centers](https://www.concentra.com/urgent-care-centers)**
- For care at MinuteClinic[®] or Concentra, you'll be charged your standard cost share. Be sure to bring your Kaiser Permanente ID card and method of payment. Walk-ins are welcome; no appointment is needed.
- For care at an urgent care or retail clinic location other than a MinuteClinic[®] or Concentra, you may be asked to pay upfront for services you receive and will need to file a claim for reimbursement.²

¹Kaiser Permanente Georgia health plan does not cover transportation services for nonurgent, nonemergency care from outside the service area; and any request for transportation is subject to review.

²Some Kaiser Permanente Insurance Company PPO and POS plans include MinuteClinic[®] and Concentra as in-network while others do not. Please check your Certificate of Insurance to see if MinuteClinic[®] and Concentra is included as an in-network provider.

How to get care internationally

How do I get emergency or urgent care outside the U.S.?

If you or a family member who is enrolled in Kaiser Permanente coverage has an emergency or urgent medical situation,¹ get care right away. You don't have to let Kaiser Permanente know or get approval first. Here's what to do:

- Immediately go to the nearest hospital or any facility that can give you the care you need. Kaiser Permanente won't be able to help manage your care until your emergency or urgent care need is under control or is being managed by a doctor.
- If you get emergency care, call **888-859-0880**² when your condition is stable to let us know you've been treated for an emergency or admitted to a hospital. If you are a member in Southern California, please instead call **800-225-8883**. If appropriate, the doctor treating you can call instead.
- When you call Kaiser Permanente, we'll talk to the doctor treating you to discuss your condition, health plan coverage, and help you decide what to do next. We have interpreter services that allow us to talk to doctors who don't speak English.

What if I still need care after my emergency condition has been stabilized?

If you've been hospitalized, the doctor treating you may decide you still need care after your condition has been stabilized. This is called post-stabilization care. You'll need to get approval from Kaiser Permanente for this kind of care to be covered under your Kaiser Permanente plan.

- Call us at **888-859-0880** as soon as you can,³ preferably before you get care. If you are a member in Southern California, please instead call **800-225-8883**. Getting approval helps protect you from financial responsibility, since we may not cover services we don't approve first. If we agree you need post-stabilization care, we may authorize the doctor treating you to give you this care. Or we may choose a different provider who can provide the right care for your condition.
- Ask the doctor treating you if Kaiser Permanente has approved your care, including any transportation. In addition to post-stabilization care, you'll need to get any related transportation approved. When medically necessary transportation is needed for your care (as determined by Kaiser Permanente), we will arrange these services for you.⁴

¹Kaiser Permanente may cover medically necessary urgent care you get when you're temporarily outside the country — if it can't be delayed until you get back home. Please refer to your *Evidence of Coverage* or other coverage documents for any restrictions.

²This number can be dialed from both inside and outside the United States. Before the phone number, dial "001" for landlines and "+1" for mobile lines if you're outside the country. Long-distance charges may apply and we can't accept collect calls.

³For specific timing considerations, please refer to your *Evidence of Coverage* or other coverage documents.

⁴Kaiser Permanente Georgia health plan does not cover transportation services for nonurgent, nonemergency care from outside the service area; and any request for transportation is subject to review.

Outpatient follow-up care is generally not covered, unless we authorize it or it's considered urgent. This includes any follow-up care you need after an emergency or urgent care visit, like removing stitches or a cast. Call us before you get follow-up care to check whether it's covered. Should you need significant medical care, like hospitalization and treatment, while traveling internationally, we have a vendor that will work with your Kaiser Permanente regional care team and claims to help you get the care you need. See page 17 for phone numbers for reporting an emergency (or post-stabilization care).

How do I report emergency care if I'm outside the U.S.?

Call **888-859-0880** to let Kaiser Permanente know you've been admitted to a hospital with an emergency condition. If you are a member in Southern California, please instead call **800-225-8883**.

Check with the local telephone service provider where you are if you need help calling internationally. International calls to this number aren't toll-free, and you'll be charged at local international rates.

You should always have a plan for calling Kaiser Permanente. Get ready before you leave. Find out if your cell phone service includes international calling, or get an international calling card.

Upon return from your international trip, notify your primary care physician of hospitalization or urgent care services you received during your visit. Your medical care team can help you monitor any conditions that arose when you were traveling.

Is transportation covered?

Kaiser Permanente covers emergency medical transportation to get you to the nearest hospital, or another facility if we decide it's necessary. However, we can't arrange this transportation for you during an emergency. You'll need to work with emergency transportation providers wherever you are.

We generally don't cover or arrange other transportation, unless we decide it's needed to manage your care. In order to lessen your potential financial liability for noncovered travel-related services, you may want to consider getting extra travel insurance to cover services that aren't covered by your Kaiser Permanente plan.

How do I get reimbursed for medical expenses?

If you paid for emergency or urgent care while away from home, you'll need to file a claim for reimbursement.

In many countries, providers require payment before giving care.¹ Costs can be high, so be ready to cover any unexpected costs. You may want to get extra travel insurance for your trip.

How do I submit a claim?

Log into your **kp.org** account and navigate to 'My Coverage and Costs' to submit a claim through the online portal. If you do not have a **kp.org** account, or need assistance, call the Away from Home Travel Line at **951-268-3900** (TTY 711).

The following information is required for all claims:

- Itemized bills (should include date of service, services received, and cost of each item)
- Medical records (copies of original medical reports, admission notes, emergency room records, and/or consultation reports)
- Proof of payment (receipts or bank or credit card statements)

If you received emergency care outside of the United States, you'll also need to provide:

- Proof of travel (copy of itinerary and/or airline tickets)

¹If a member receives emergency services in a country where the U.S. government has imposed sanctions, the member may have to pay for services and then submit a claim to Kaiser Permanente for reimbursement.
