Hi Jessie,

I'm glad site is looking good! By the way, in the future for County sites, please check "Notice to Comply" on the form. The County does not use verbal warnings anymore, as everything is documented in writing anyway and a copy given to the contractor.

Thank you!

Hi Bob,

Sorry I missed you onsite today, but I did chat with Ernesto and told him how great Lot 11 looks!

There is one outstanding item on Lots 9/10 which I discussed with Ernesto.

Lots 9/10

- Please install the drain inlet protection that Neil had previously discussed with you. Now that we are in the wet season, drain inlet protection is required by the SWPPP.

I didn't have any corrections for Lot 11.

Please feel free to give me a call if you would like to discuss!

Thanks!
